PROFESSIONAL SUMMARY

Fresh Information Technology graduate with foundational experience in web development, cashiering, and social media content. Developed a management system during an internship and completed small freelance projects. Eager to learn, take guidance, and grow in an entry-level Junior Web Developer position.

WORK EXPERIENCE

Cashier / System Admin and Social Media Staff | Philstar Autoworks June 2026 – Present
Bacoar, Cavite

- Audit customer payments at the cashier station, verifying transactions and categorizing payments by type to keep financial records accurate.
- Assist the content team in managing the company Facebook page by posting content and editing videos and images.
- Help maintain the management system developed during my internship, which handles customer bookings, parts inventory, and income tracking.

IT Intern | Philstar Autoworks January 2026 – March 2026
Bacoar, Cavite

- Developed a management system for the shop using PHP, JavaScript, HTML5, and CSS to organize customer bookings, parts inventory, and income records.
- Helped replace manual record-keeping with a digital system for tracking daily income and stock.
- Earned the Outstanding IT Intern award for performance and project contribution.

Freelance Developer | Self-employed Ongoing

- Completed paid projects for clients, including inventory systems and portfolio websites.
- Delivered the requested features on time.

PROJECTS

UA360X: Immersive Virtual Tour of University of Abra Main Campus

Capstone Project Leader | HTML5, CSS, JavaScript, Kuula

- Led a team of 4 in building a virtual tour website of indoor campus facilities with 360° views and an interactive map.
- Coordinated tasks among team members and presented the project, receiving a Special Citation for Innovation and Technology Pitching.

EDUCATION

University of Abra, Main Campus Lagangilang, Abra | 2022 – 2026

Bachelor of Science in Information Technology, Major in Web Technologies and Management

- Graduated Cum Laude
- Awards: Outstanding IT Intern; Student Information Technologist; Special Citation for Innovation and Technology Pitching
